

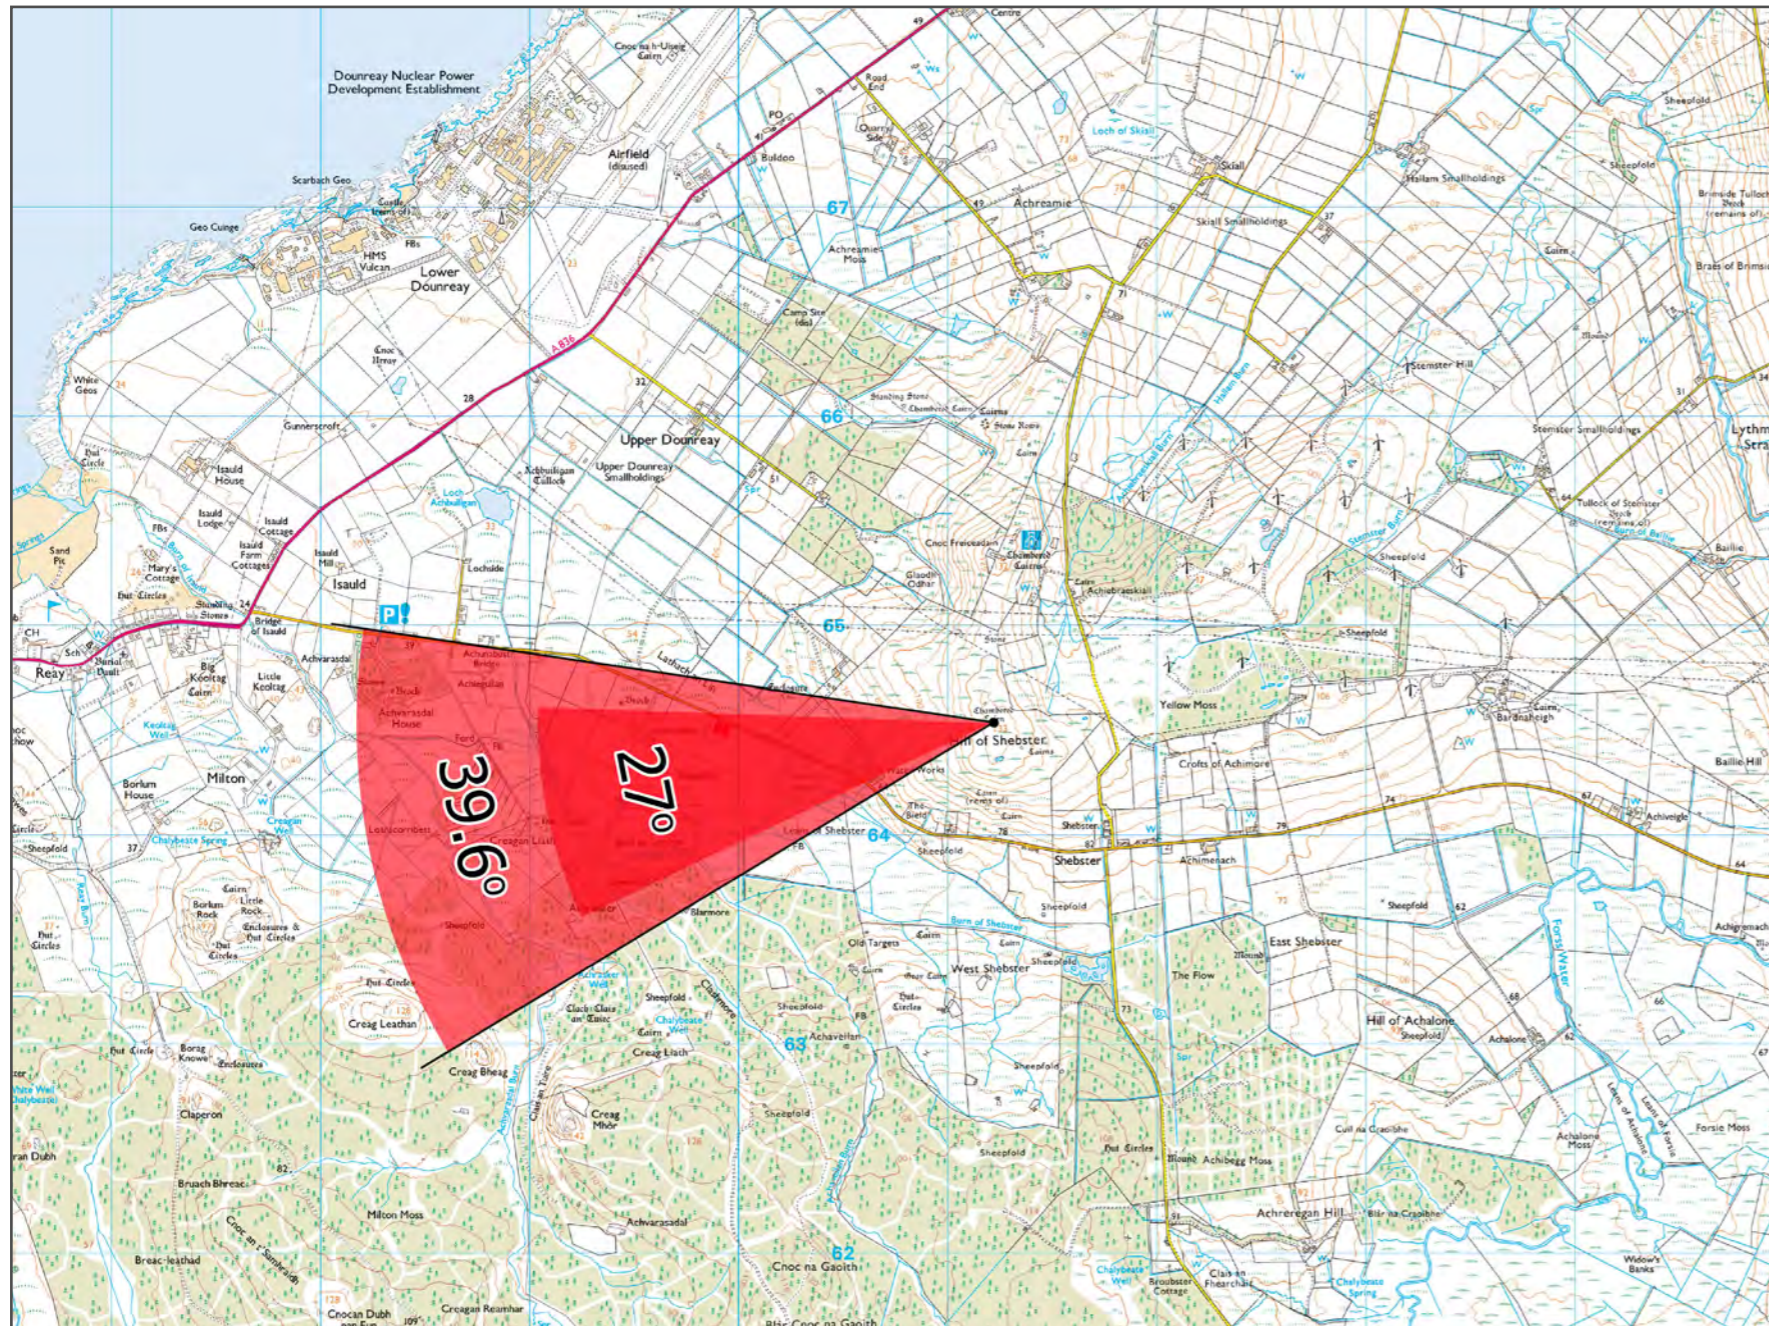

Figure 6.21g - Viewpoint 10: Hill of Shebster.

Grid Reference: 301219 964538 Distance to nearest turbine: 9179m AOD: 136m

This viewpoint is located approximately 2.8km south of Dounreay.

From Dounreay, travel west on the A836 for approximately 3km until you come to the turning off left signposted to Shebster and Westfield. Turn left here. Continue for approximately 4km after which you will come to a junction signposted left for Achreemie and Skail. Turn left here and drive for 700m at which point you will come to the convergence of two stone walls on your left underneath some telegraph wires that cross over the road. Park here. Now on foot, walk up through the gate alongside the stone wall and up to the summit.

The camera location is at the top of the hill as shown in the adjacent photograph.

Extent of 50mm single frame image

**Hill of Shebster**

Distance to nearest turbine: 9179m      Camera: Nikon D610      Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°)      Camera height: 1.5m      Date: 16/07/2019 11:58

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

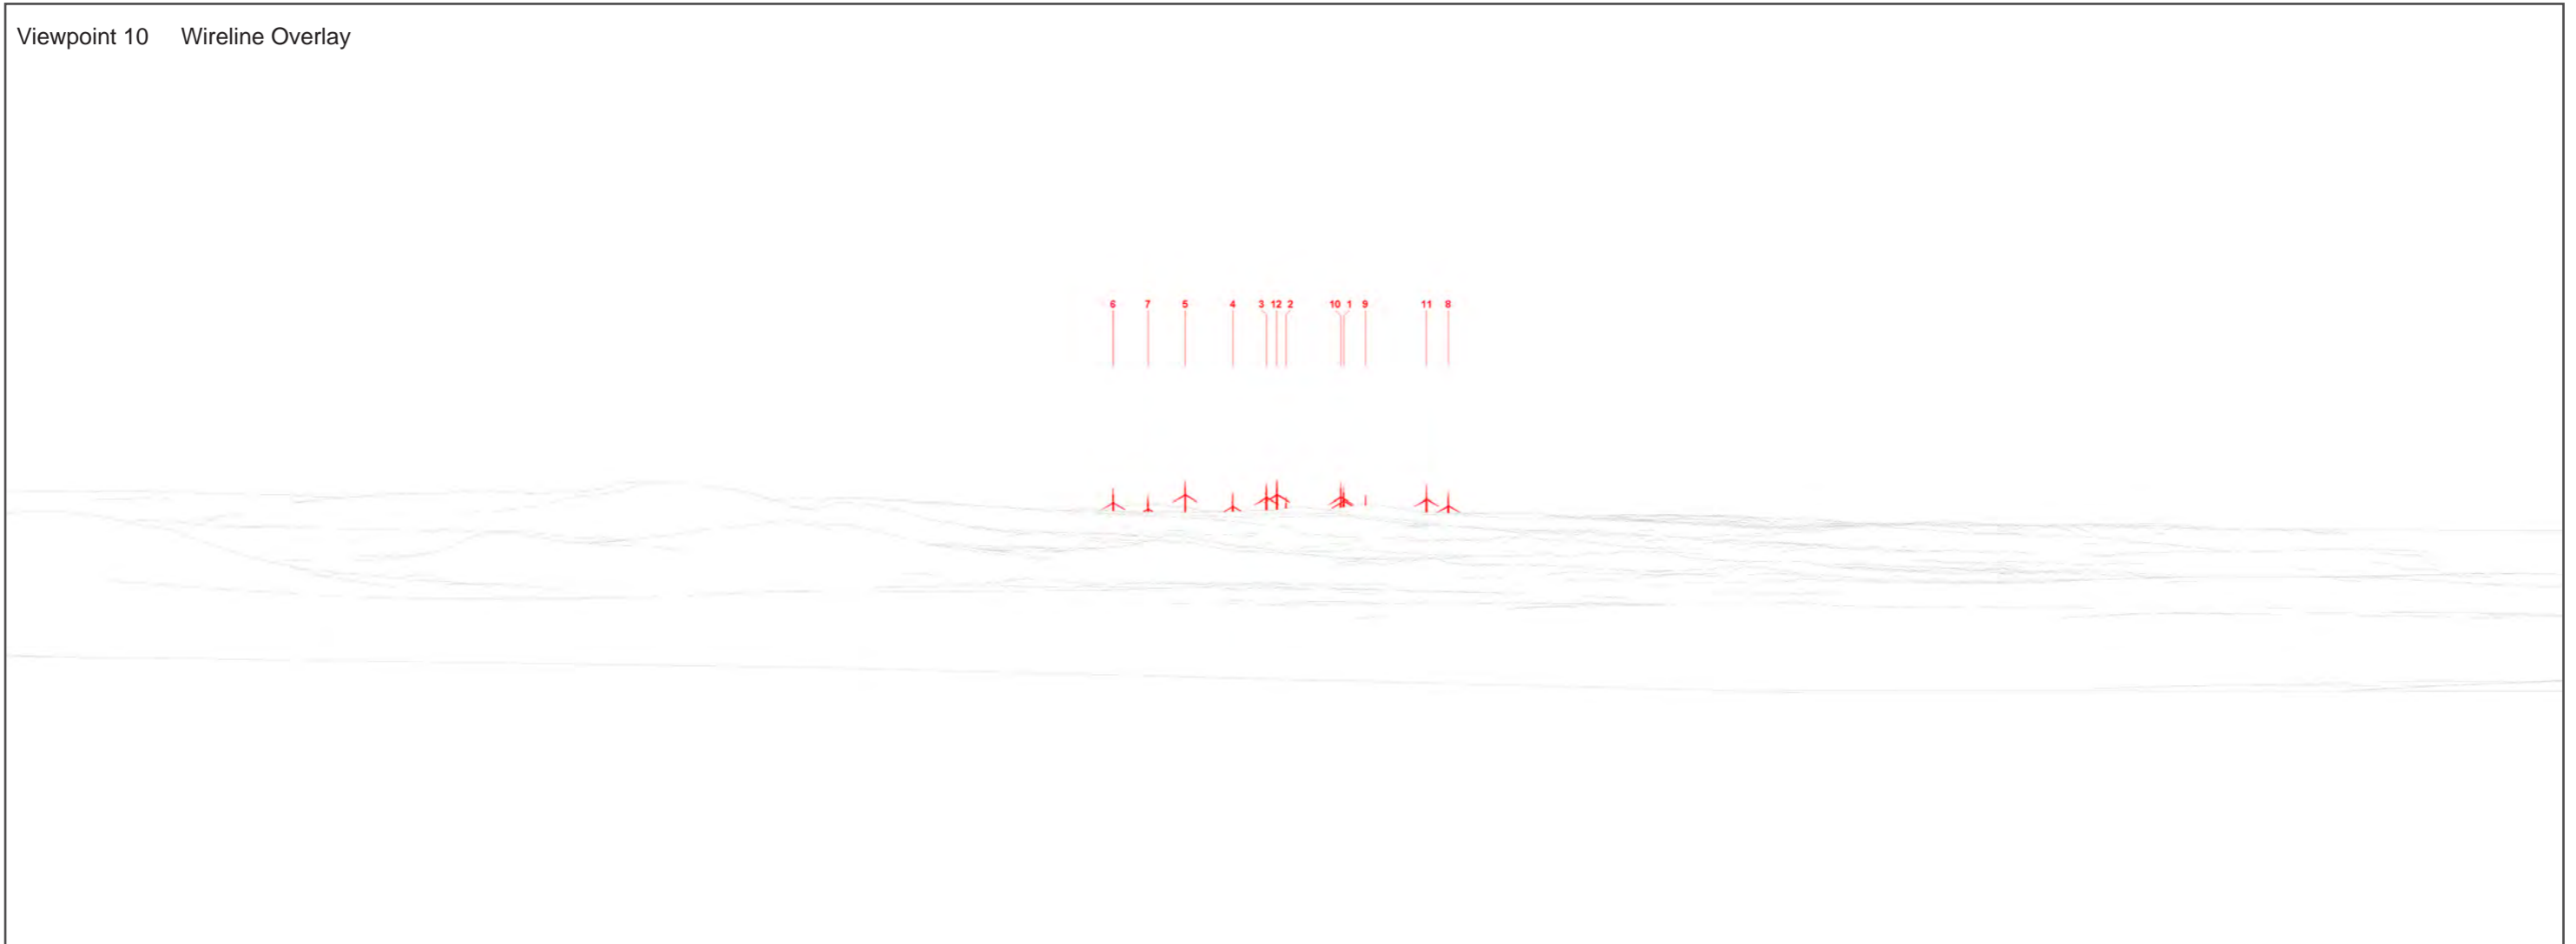

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
