

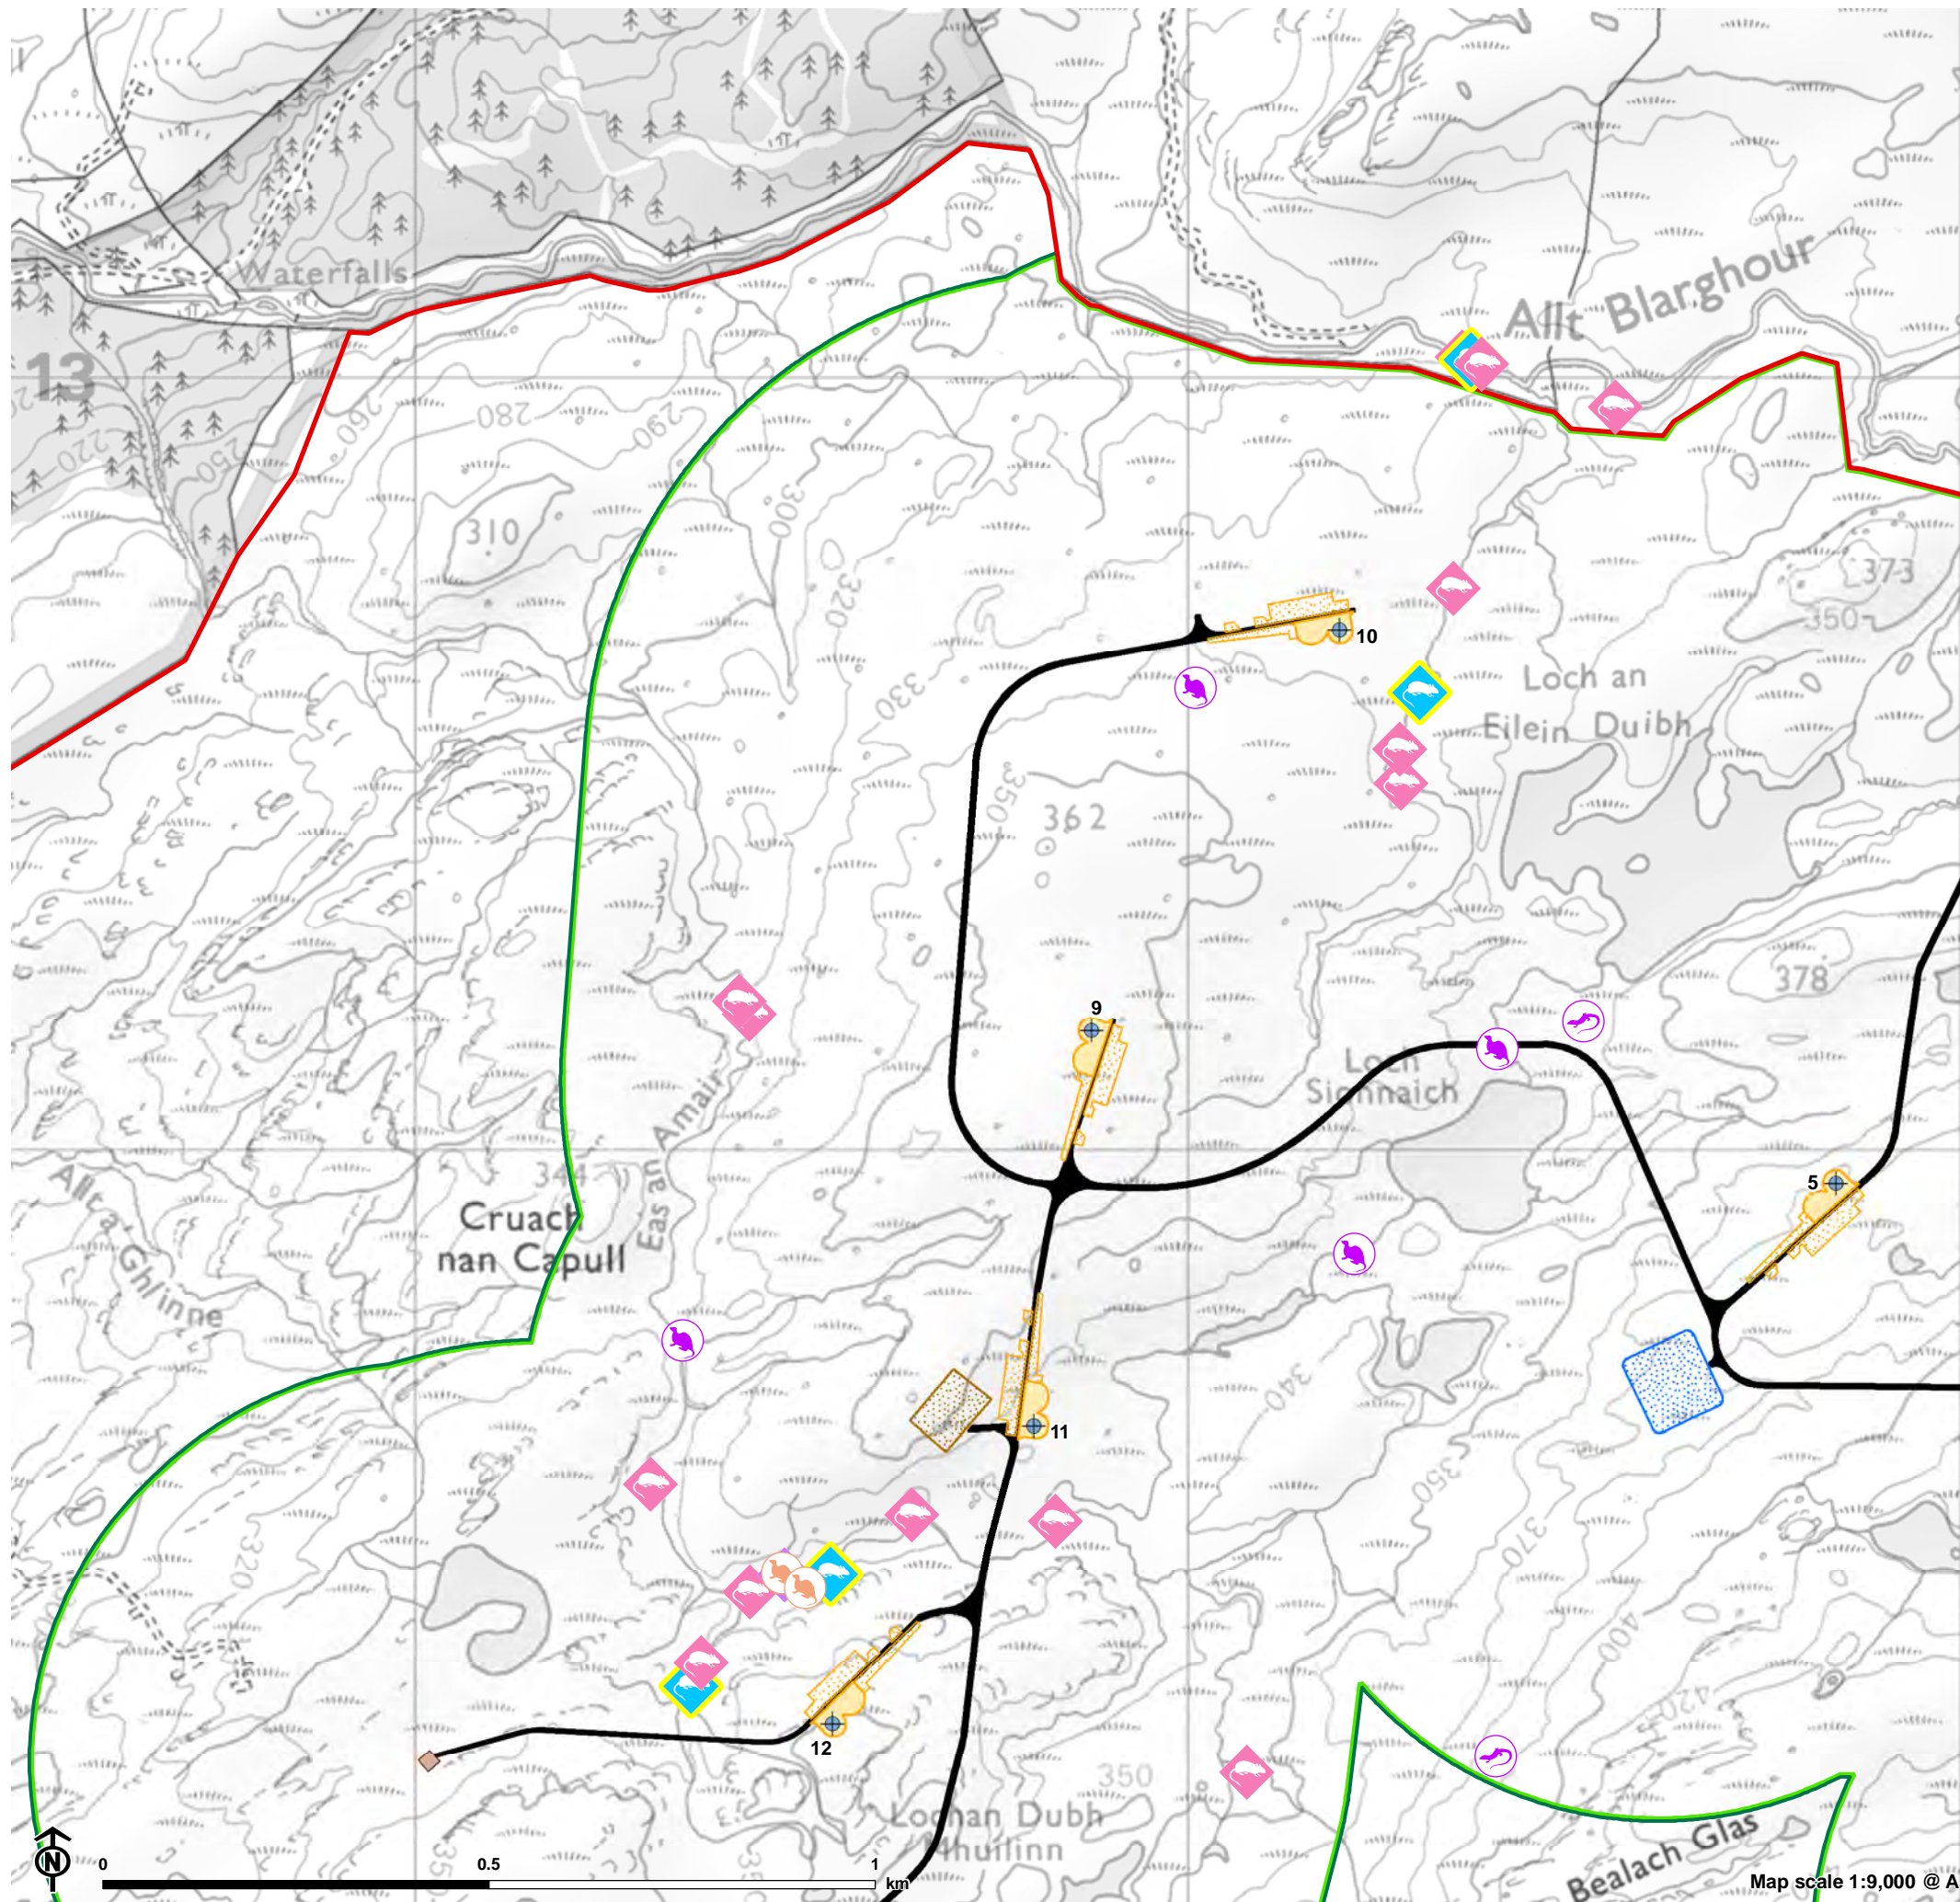

Figure 8.6: Protected Species Survey Results

- Site boundary
- Ecology Survey Area (ESA)
- Turbine (final layout)
- Borrow pit
- Temporary construction compound
- Permanent compound including substation and BESS
- Temporary hardstanding
- Permanent hardstanding
- Permanent met mast
- Existing access track
- Proposed track
- Otter footprint
- Otter spraint
- Common lizard sighting
- Water vole burrow
- Water vole latrine
- Water vole feeding remains/runs
